5.4.1.1 Pilot Program for ST Nominees: Dr. Lam to work with Pat Lawson on a pilot program for those nominated to become STs. Pat to follow with Dr. Lam regarding pilot training in other parts of the world. The Board is also looking into the option of online training.

5.4.1.2 ST Dropbox: A dropbox has been created specifically for Senior Trainers to contain documents pertaining to STs, including the resource manual and important emails. Pat Lawson will coordinate with Dr. Lam on making contents available in a read only format to be accessed by STs and MTs. Relevant members of the Board, including Training Committee Chair, Secretary, ST and MT

representatives, Director and Manager will be contributors. Pat Lawson will follow up with Dr. Lam regarding ST access and resource manual. It was requested that the Board resend the invitation to STs as many did not receive it or have not been able to access the dropbox. The Chair to follow with Hazel or Dianne.

5.4.1.3 ST Training at Annual Workshops: The Board discussed and agreed to look into separate ST training at the annual workshops so that STs may have training which directly deals with their unique role as Senior Trainers. The ST subcommittee had proposed that where STs and MTs had common interests their training could be combined, but that separate training was recommended with regard to the unique differences between the roles of STs and MTs. Also discussed was the possibility of a one-day ST training held separately from the annual workshops in various countries during Dr. Lam's visits to those countries.

The subject of ST renewal of accreditation every two years was discussed with recommendation of a point system. This provides flexibility for those who cannot attend training at the annual workshops each year. It was proposed to begin in January 2019. Pat to review and revise for next meeting.

5.4.2 MT Training

The Chair recommended a statement of core competencies be developed so that all Master Trainers will be delivering consistent information/training at instructor training workshops. Other Master Trainers are also looking for some standardization. The Chair to follow up with Pat and Dr. Lam. It was recommended that there be a change in representation of qualifications of MTs on the website, so that the relevant icon does not appear until mentorship is completed.
